Food Bank Direct Service Sites

In the event of a teacher walkout, the Community Food Bank of Eastern Oklahoma will employ our Mobile Eatery food trucks in an effort to support kids and families in our community. We will serve hot meals at 9 sites where there is an identified a need. There is nothing required to get a meal, they are completely free of charge and open to anyone who might need a meal during this time (priority will be given to children and youth).

Mobile Eatery
